Dear Neighbors,

Over the past several months, the Board of Education and administration worked diligently to develop the budget for the 2015-2016 school year. We are delighted that we are able to present to you a budget that carries a **tax levy decrease of .09 percent** while preserving and enhancing our educational programs.

Our work is always inspired by the knowledge that our students are counting on all of us to provide them with an educational program that offers them every opportunity to have a successful life. We are proud that our students have been earning recognitions on the local, state and national levels and that the members of our Class of 2015 are actively planning their future; we all take pride in their success. We are determined to continue providing our children with the quality education they need and deserve, and we continue to ensure that our children are on track to graduate high school college and career ready all while honoring our commitment to taxpayers to be educationally and fiscally responsible.

Months of collaboration, careful review of our budget needs, continued sound fiscal management with a focus on achieving economies and efficiencies, advocacy on everyone's part and an increase in state aid have enabled us to propose a budget that results in a **tax levy decrease of .09 percent.**

We appreciate the support we have received from the community over these difficult past years. Thank you to the PTA, students, staff and Freeport community members who advocated for our schools and continue to share our vision for success. We are also grateful for the ongoing

support of our elected officials who represent Freeport at the state level.

While the increased aid we have received has greatly reduced the Gap Elimination Adjustment for Freeport and has enabled us to offer a tax levy decrease to the community, we must remain vigilant in our advocacy for the schools. In particular, we must continue to work on restoring Foundation Aid to our schools.

As a Board of Education, we are proud of our schools, we love our community, and we are pleased to present taxpayers with a budget carrying a **tax levy decrease for the third time in the last eight years.** We encourage all residents to learn more about the budget and be part of our district's future by voting on Tuesday, May 19, 2015.

Sincerely,

The Freeport Board of Education

Michael Pomerico, President;

Anthony Miller, Vice President;

Ronald Ellerbe, Trustee; Vilma Lancaster, Trustee;

Debra Mulé, Trustee

Tax Levy Per Pupil

Freeport Collects \$8,900 Less Tax Levy Per Pupil Than Nassau County Avg.

Expenditures Per Pupil

Freeport Spends \$5,300 Less Per Pupil Than Nassau County Avg.

Our Financial Integrity

- The average tax levy increase for the last seven years is 2.13 percent.
- Freeport spends approximately \$5,300 less per pupil than the average district in Nassau County and collects approximately \$8,900 less in tax levy per student than the average district in Nassau County.
- Freeport is one of a handful of New York school districts to receive a clean audit by the State Comptroller's Office.
- Freeport Public Schools has earned a bond rating of AA by Standard and Poor's. Of more than 300 districts in the state rated by Standard and Poor's, Freeport is one of only a very few school districts to have been rated AA or better.
- In the past few years, through an Energy Performance Contract and an EXCEL bond, the District has implemented more than \$25 million in capital improvement projects at no cost to taxpayers.
- The recent Quality School Construction Bond program of \$5 million enabled the District to complete additional capital improvement projects through an interest-free program, saving taxpayers approximately \$1.4 million in interest costs.

Budget Message From Freeport Memorial Library

The Freeport Memorial Library Board is asking you to vote on May 19. The proposed budget will enable the library to continue to provide books, magazines, DVDs, CDs, eBooks, audio books, concerts, lectures, discussion groups, tutoring, workshops, children's programs, public computers, and much more.

We would like to highlight some of our unique and creative programs that we presented this past year including the Youth Services Fall Festival, which attracted more than 500 participants, and for the first time a Summer Reading Club for Adults. Our active Teen Advisory Board organized a food drive with the donations sent to the Freeport Pantry and a candy drive where the candies were sent to our soldiers overseas. We continue to participate in Long Island Memories, a Long Island Library Resources Council digitization project, which allows online access to thousands of historical materials. We once again co-sponsored, along with the Long Island Arts Council at Freeport, the Banjo Rascals on the Nautical Mile Esplanade. The newly formed Business Resource Information Center is beginning to flourish and is now providing business counseling with our newest partner, the Small Business Development Center from Hempstead.

The library is governed by a Board of Trustees, with the guidance and support of the Friends of the Library, the Art and Music Advisory Committees, and a dedicated staff of librarians, paraprofessionals, student pages and volunteers.

The library exists to serve each and every patron, and we are always offering new and varied services. We work diligently to bring the best possible library experience to the entire community.

We do our best to hold down costs, but expenses, including utilities and salaries, require us to project a modest increase for the coming budget year. The proposed increase of 1.98 percent is less than our state-mandated tax cap.

We hope by now that you have visited your new and improved renovated library. We will be continuing to make improvements to the library and its services. Our next commitment will be restoring and replacing the windows in the original 1924 building as part of a New York State construction project. The library belongs to you. Our facility is open 70 hours a week, and many of our services are available 24/7.

Please remember to vote on May 19.

The 2015-2016 Library Proposal

Copies of the proposed library budget are available at the library.			

Q. What are the District's budget goals for 2015-2016?

A. The District's highest priority continues to be student achievement and academic rigor. We continually strive to maintain our core educational programs, increase our high school graduation rates, and ensure that all graduates are college and career ready. The proposed 2015-2016 budget supports the Common Core Learning Standards, existing programs in music and the fine arts, sports, clubs, field trips, and retains full-day kindergarten. The District hopes to continue to build upon the success of our science research program, and our programs for special education and English language learners.

Q. What is provided for in the 2015-2016 budget?

A. This budget maintains all existing programs and services from the 2014-2015 school year, including the arts and athletics and all current clubs. In addition, we are introducing three new Advanced Placement courses, restoring a volleyball team, adding electives in social studies and technology, adding classes for special needs and ELL students, and increasing support services for students. Due to enrollment increases, which have been significantly greater than our demographic studies have predicted, and to meet mandates in ESL, the budget includes new teaching positions including one elementary, one math, four bilingual teachers, teachers of math, social studies, technology, and an elementary teacher. This budget also includes one clerical position, 10 teaching assistants, and 1.5 nurses.

Q. What is the budget increase, and what are the major factors impacting the proposed budget?

A. Factors impacting the budget for 2015-2016 include increased enrollment, additional staffing needs, contractual salary increases, health insurance costs, special education/BOCES tuition costs, transportation, technology upgrades, Common Core implementation and other mandated costs including the Affordable Care Act and Part 154 Regulations. The proposed budget represents an increase of 2.94 percent over the previous year. This increase is necessary to address higher enrollment, mandated contractual expenses and to maintain our student programs.

The tax levy is the portion of money raised through local property taxes for use by the school district. However, the expenditure increase is offset by revenue due to the increase in state aid. Although the tax levy cap legislation allows the District to increase the tax levy by 1.51 percent for the 2015-2016 school year, this year, the District is proposing a **.09 percent decrease in the tax levy** due to increased state aid, economies and efficiencies, and lower costs for the retirement system. This is the third time in the last eight years that the District has proposed a budget that resulted in a tax levy decrease.

Q. What's on the ballot?

A. There are three propositions on the ballot for 2015-2016. Proposition One is the Freeport Union Free School District Budget. Proposition Two is the Freeport Memorial Library Budget, and Proposition Three is for Capital Reserve Fund authorization. There is also the election of one school board trustee.

Q. What is the Capital Reserve Proposition, and what impact will it have on my taxes?

A. It is important to note that with voter approval, at **no additional cost to taxpayers**, the district will expend \$1.5 million from the existing capital reserve fund for districtwide repairs and renovations including safety and security upgrades, bathroom renovations, ceiling and window replacements. In 2009, Freeport voters approved the creation of a Capital Reserve Fund, which allows the District to set aside money in a reserve account specifically allocated for capital projects. In the past few years, the District has benefitted from favorable market conditions and pricing when the projects have been published for bid. This has enabled the District to maximize the usage of these reserves. The total scope of proposed projects will be determined when final bidding is received. In the past few years, the District has been able to accomplish significant infrastructure upgrades and repairs by utilizing this reserve fund at no additional cost to taxpayers. Recent projects completed by using these funds include security upgrades districtwide, ceiling tile replacements at both Freeport High School and Dodd Middle School, repaving the parking field at Bayview Avenue School, locker replacement at Dodd Middle School, replacement boiler systems at Atkinson School and Dodd Middle School, HVAC upgrade at Freeport High School auditorium, lavatory renovations at Bayview Avenue School, Leo F. Giblyn School and Dodd Middle School and the addition of an elevator at Archer Street School.

Q. How will my school taxes be affected by this budget?

A. For the 2015-2016 budget, the **tax levy will decrease by .09 percent**. Since we are reducing the tax levy, there should be no increase in your school taxes for next year. It is important to understand, however, that if tax bills increase next year for the individual homeowner, it will not be because of the school budget. Other factors not within the control of the school district that could impact tax bills include changes in home market values, assessed valuations and shifts in the tax burden from one class of taxpayer to another. Therefore, any increase in a homeowner's tax bill for the 2015-2016 school year would not be attributable to the school district budget.

Q. What happens if the proposed budget is not approved?

A. If voters do not approve the proposed budget, the Board of Education has the option of proposing the same budget or a revised budget for a revote in June. If after a second attempt the budget is rejected by the voters, the board is required to adopt a contingency budget. A contingency budget cannot increase the tax levy above the current year's amount. The budget presented to you is already lower than the current year's tax levy. Under a contingency budget, the District would be required to eliminate equipment purchases, certain student supplies and maintenance projects that are not health and safety related. In addition, in order to reduce spending, the District would likely be cutting expenditures that could impact such programs as full-day kindergarten, clubs, sports and staffing levels.

What's on the Ballot?

PROPOSITION ONE: SCHOOL BUDGET

Resolved, that the annual school budget of \$167,132,054 be adopted and the necessary amount be raised by a tax upon the taxable property located in the Freeport Union Free School District, Town of Hempstead, Freeport, New York, for the school year 2015-2016.

PROPOSITION TWO: FREEPORT MEMORIAL LIBRARY BUDGET

Resolved, that the Freeport Memorial Library Budget in the amount of \$6,089,297 be adopted and the necessary amount be raised by a tax upon the taxable property located in the Freeport Union Free School District, Town of Hempstead, Freeport, New York, for the Freeport Memorial Library in 2015-2016.

PROPOSITION THREE: AUTHORIZATION OF CAPITAL RESERVE FUND PROJECTS

The Board of Education of the Freeport Union Free School District is hereby authorized to expend the sum of \$1,500,000 representing monies from the Capital Reserve Fund established in March 2009 for the following purposes: Roof leaders, gutters and

curtains at Atkinson School, auditorium upgrades and gym folding door partitions at Freeport High School and ceiling replacements at both Freeport High School and Dodd Middle School. In addition, districtwide, there will be continued lavatory and security upgrades, window replacements, building entry improvements and ground improvements.

Since the funds to be expended hereunder are from the Capital Reserve Fund, approval of this proposition will not require a tax levy upon the real property of the District.

ELECTION OF SCHOOL BOARD TRUSTEES:

The election of one (1) trustee to the Board of Education will take place. The term shall be for a full term of three years beginning July 1, 2015 and ending June 30, 2018.

Who Can Vote?

Only registered voters can participate in the Freeport School District budget vote. A qualified voter must be:

- 18 years of age
- a U.S. citizen
- a resident of the Freeport School District for 30 days prior to the election
- a duly registered voter

When and Where to Vote

Voting will be held at Archer Street, Bayview Avenue, Leo F. Giblyn, Columbus Avenue and Caroline G. Atkinson schools and the Albany Avenue Field House, 55 Albany Avenue on Tuesday, May 19, from 6 a.m. to 9 p.m.

Absentee Ballots

Registered voters who require an absentee ballot may pick up an application at the District Clerk's office or the Freeport Memorial Library. They may also call 516-867-5200 or 516-867-5209 to receive an application by mail.

Applications for absentee ballots must be received by the District Clerk at least seven days before the election if the ballot is to be mailed to the voter. If the ballot is to be filled out in the District Clerk's office, voters have until the day before the election to pick up the ballots.

All ballots must be delivered to the District Clerk by 5 p.m. on the day of the election.

Persons registered permanently disabled with the Nassau Board of Elections will automatically receive an absentee ballot.

Information about the budget is available in Spanish at the Administration Building and each school building.
