

Freeport Educational Foundation Collegiate Scholarship 2023 Application

I. CRITERIA

The scholarship's specific goal is to reward and encourage innovative and creative problem solving. The scholarship aims to honor college bound students who excel as innovative problem-solvers and to help make their higher education goals more accessible. Recipients will receive a monetary scholarship.

Please attach an essay (750 words) written by the student that addresses the following topics:

- Experience(s) that highlight their innovative problem-solving skills
- What those experiences have personally meant to the applicant
- How they plan to use their innovative skills in college and in their careers
- The essay also may include mention of inspirational role models or how they hope to use their innovative skills to change the world

II. The application must be postmarked no later than April 4, 2023

The application must be signed by a School Guidance Counselor and sent to Ms. Glori Engel at the address below no later than April 4, 2023.

III. To be completed by student
