Dear Parent/Guardians,

I trust this message finds you well, having enjoyed a rejuvenating and memorable summer break. As the new school year approaches, it is with immense excitement that I welcome your child, new or returning, to our wonderful institution.

The start of a new academic year is always a momentous occasion, filled with promise and potential. This year, our theme is "REFINE." We are embarking on a journey of continuous improvement. By setting clear academic expectations and creating an atmosphere of mutual respect and collaboration, we are laying the foundation for a successful year ahead.

Our student and parent orientations were resounding successes. The enthusiasm and engagement we witnessed during these events reaffirm the strong sense of community that sets our school apart. Let us build upon this momentum as we move forward into the academic year, working together to provide your child with an exceptional learning experience.

In the coming days, I invite you to embrace the spirit of refinement with us as we work together to shape the mind of your child and inspire their potential. I have no doubt that the 2023-2024 school year will be marked by countless achievements and moments of growth.

Once again, welcome back. Here's to a year of refinement, collaboration, and the pursuit of excellence.

Warmest regards,

A handwritten signature in black ink that reads 'Johane Ligondé'.
